## Consent to Pre-Marital Mentoring

---

**Our Goal** – Our goal in providing Christian biblical guidance is to help you meet the challenges of life in a way that will please and honor the Lord Jesus Christ and allow you to fully enjoy a relationship with Him, experience His love and plans for your life.

**Biblical Basis** – We believe that the Bible provides thorough guidance and instruction for faith and life. Therefore, our counsel is based on scriptural principles rather than those of secular psychology or psychiatry. The Marriage Mentors of this church are not licensed as psychotherapists or mental health professionals.

**Confidentiality** – Confidentiality is an import aspect of the process, and we carefully guard the information you entrust to us. Marriage Mentors strongly prefer not to disclose personal information to others and will make every effort to help you find ways to resolve a problem as privately as possible. However, there are some situations when it may be necessary to share certain information with others:

- When a mentor is uncertain of how to address or help a particular problem and needs to seek advice from a pastor or elder within this church
- When a person attends another church and it is necessary to talk with his or her pastor or elders
- When there is a clear indication that someone may be physically harmed unless there is intervention
- When a person persistently refuses to renounce a particular sin and it becomes necessary to seek the assistance of others in the church to encourage repentance and reconciliation
- When a crime has been committed

*Proverbs 15:22; Proverbs 24:11; Matthew 18:15-20; Deuteronomy 13:6-8*

**Resolution of Conflicts** – On a rare occasion, a conflict may develop between you and the Marriage Mentors. In order to make sure that any such conflicts will be resolved in a biblical and faithful manner, we require all of our couples to agree that any dispute which arises with a Marriage Mentor or with this church as a result of mentoring, will be settled by mediation and if necessary, legally binding arbitration.

Having clarified the principles and policies of our Marriage Mentor ministry, we welcome the opportunity to minister to you in the name of Jesus Christ and to be used by Him as He helps you to grow in spiritual maturity. If you have any questions about these guidelines, please speak with a pastor or elder before your appointment.

**If these guidelines are acceptable to you, please sign below.**
